

Virtual Learning Supply List & Reminders

- A quiet place to work. This could include a desk, kitchen table, coffee table, special room, or even an outdoor space (in good weather).
- A chromebook or computer with sound enabled connected to the internet.
- Earbuds or headphones
- Pencil and paper

- A positive attitude (Remember, I ALWAYS believe YOU can do it!)
- Keep your computer away from liquids, food, pets, and small children.
- Avoid watching TV or other devices during lessons.
- Use your headphones when playing sound to respect others working close by.
- Read ALL directions twice before starting an assignment and before asking questions.
- Always give your best effort.

It's going to be an amazing year!
