- Wilkshire students may be transferred to different buses after arriving at Ralya/Murphy.
- Bus times are approximate and may be delayed during the first week of school.
- The “ / ” symbol denotes stops made at intersections.
- “After school” routines may vary slightly.

If your area is not included, please call the Haslett Schools Transportation Department at 339-2078.

Haslett Public Schools Transportation Discipline Policy

We believe all students can behave appropriately and safely while riding the school bus. We will not tolerate any students stopping a driver from doing their job, or preventing other students from having safe transportation. The first time a student chooses to break a rule, the following consequences are applied:

- Verbal warning
- Student conference with driver
- Assigned seat and/or call to the parent forewarning the parent that their child could be suspended from bus transportation if misbehavior continues

If a student does not respond to the above consequences, the following procedures will be followed:

1st Incident: Student receives a bus discipline report prepared by the bus driver, and bus driver calls the parent.

2nd Incident: Student receives a bus discipline report prepared by the bus driver, and the transportation supervisor calls the parent.

3rd Incident: Student is **suspended** from bus transportation for three school days, with an optional conference with principal/parent/bus driver/student.

4th Incident: Student is **suspended** from bus transportation for ten school days, with an optional conference with principal/parent/bus driver/student.

5th Incident: Student is **suspended** from bus transportation for the remainder of the school year.

Cameras on Board Buses

Currently, all of our school buses have cameras on board, as well as on the outside of school buses, providing our bus drivers with the ability to observe motorists. **The pictures of vehicles in violation of bus safety rules will be submitted to the local police.**

The camera system provides better safety and security for all of our students who use district transportation.

Standard Crossing Procedure

Aides are available on Haslett School District Kindergarten bus runs for the first two weeks of school. If your child needs to cross the street at the bus stop, our aides will teach the preferred procedure as outlined below:

- Always cross in front of the bus.
- Take eight giant steps at the curb next to the bus so the driver can see your feet.
- Look up - school bus drivers will touch their hand to their forehead as a signal that it is safe to cross.
- Stop at the traffic side of the bus, look both ways before continuing across, and cross only if no cars are approaching.
- Do not stop or go back if you drop something.
- Stop at once if the horn blows.
