

Haslett Public Schools

Class of 2025 High School Scheduling

Members of the Class of 2025 will begin learning more about Haslett High School, graduation requirements, and scheduling for the 2021-22 school year on June 1 or June 3. Mrs. Brunnschweiler and Mr. Lepper (HHS Counselors) will be presenting information during your student's Social Studies class. Scheduling for the 2021-22 school year will be done as follows:

- A Class of 2025 Course Request Google Form will be sent to your student's Haslett Email Account at 1:00 PM on Thursday, June 3. Only your student will be able to access and complete the form (it must be accessed with a Haslett email account). We encourage parent(s)/guardian(s) to complete this form together with their student.
- The Class of 2025 Course Request Google Form needs to be completed by Tuesday, June 8 at 11:59 PM. If a form is not submitted by your student, their HHS counselor will select their courses for 2021-22. The classes that your student selects on their Class of 2025 Course Request Google Form are the classes your student will be scheduled into for next school year.
- All student schedules will be generated by the Skyward Auto-Schedule process. These schedules will be released to students via Skyward Student Access on August 4, 2021. Should your student need to make a change to their schedule, they may request to do so August 5 - August 11 (more information regarding this will be sent when your student receives their schedule).

All information being presented to the Class of 2025 will be posted on the Haslett High School [Counseling Department's Website](#) under the link, Class of 2025.
