

Haslett Public Schools

FACILITY USE POLICY

Revised: August 2008

According to the philosophy of community education, the Board will encourage the utilization of district buildings and district grounds by properly organized and responsible groups. Such use of any district facility or district grounds, however, will not interfere with the daily school student routine or any school-sponsored activity. To ensure fairness and consistency in the implementation of board policy governing use of school facilities, the following categories have been established to determine priorities. A fee schedule applies to approved users when appropriate.

CATEGORY I: K-12 Program Activities

School-affiliated groups are defined as those whose activities directly relate to regular or extra-curricular programs and will be granted first priority

Fees for Category 1: For occasional use during usual hours of operations, no charges will be assessed. The customary overtime costs for labor may apply and be charged to the user group when custodial personnel are required beyond their normal work schedule. All overtime cost must receive prior approval from the building principal and Director of operations. Charges for these groups will be limited to costs incurred for extraordinary activities involving prolonged set-up, use and clean-up, and special services (i.e. security, etc.) associated with major district-wide fundraising activities.

**CATEGORY II: Community Education Programs/School Affiliated Programs
Community Groups/Approved School Business Partnerships**

Community Education programs solely or jointly administered by the Board of Education will be granted second (2nd) priority to available school district space and facilities. In addition, school-related parent groups (Parent-Teacher Organization, Parent Council, Music Boosters, Athletic Boosters and HYRA); scouts, and businesses who are in an approved school-business partnership, will be granted second (2nd) priority. Homeowner Associations and Service Organizations will be granted occasional use at no charge with the exception of use of Gyms, Pool, and Auditoriums. Charges for use of these facilities (which can be waived at the discretion of the school district) will be assessed at the Category 3 rate. **Fees for Category 2:** For occasional use during usual hours of operation, no charges will be assessed. The customary overtime cost for labor shall apply and be charged to the user group when custodial personnel are required beyond their normal work schedule. All overtime cost must receive prior approval from the building principal and Director of Buildings and Grounds. In addition, requests for permits for extraordinary activities involving prolonged set-ups, kitchen use and clean-up, and/or special services (security) shall require an additional fee.

CATEGORY III: Community Businesses/Informal Groups/Other Organizations

Haslett community businesses, informal groups, and other community organizations with at least 50% of participants residing in the Haslett School District will be granted third (3rd) priority. Community groups are defined as governmental agencies or groups made up of at least seven (7) actual district residents providing civic, educational, or cultural activities. Examples of Category 3 use include, but are not necessarily limited to, meetings, performances, seminars, and recreational gym use. **Fees for Category 3:** The attached fee schedule will apply.

**CATEGORY IV: For Profit or Commercial Businesses defined as private,
for profit businesses, vendors or entrepreneurs, and Churches**

Commercial enterprises are defined as organizations or businesses that operate for profit as determined by Haslett Public School District authorities. Residential commercial enterprises are those located in the Haslett School district. Community churches are also included in this category. Please note that rates for residential versus non-residential commercial businesses differ. These groups will be granted 4th priority.

Fees for Category 4: The attached fee schedule will apply.
