# Quote of the week!

“You’re braver than you believe, and stronger than you seem, and smarter than you think.” – A.A. Milne/Christopher Robin

Trust in and know that you have more courage, strength and smarts than you think. It might be hard to see it right now, but your experiences in life will show you that it’s true. Growth does not happen if you stay in one place out of doubt. **You can do hard things, you can!**
