- **Science Olympiad-** While this year looks different than others, it won't stop us from doing science! Science Olympiad (SciOly) is for students who want to learn and engage in science topics beyond those taught in class. Competitions this year will be virtual, and tests will be given on a variety of topics. There are two SciOly opportunities available this year. First, monthly challenges where students work on their own without assistance of coaches; a great way to for kids to be engaged on their own terms! Second, HMS SciOly team where students work with a partner, with the help of coaches, on a certain topic until our competition in March. [Click here](#) for a more in-depth explanation of the two opportunities. Zoom Team Practice will be **Mondays from 2:30-3:30pm**. Please Contact Mrs. Parks with any questions, parksjr@haslett.k12.mi.us

- **HMS Mask Contest-** Calling all HMS artists! HMS Student Council is looking for YOU to design a mask for our student body! The HMS theme this year is “One Team One Family: Unity is Strength”. What does that look like to you? Create a drawing design that you think demonstrates this theme for our HMS student population that could be printed on a mask and available for the student body to purchase in the future. Post a picture of your design (maximum of 2 entries) [HERE](#) by **11/30**.

On November 30th, the HMS student council will vote on the top 5 designs from the submissions. After that, the whole student body will vote on the winner. Remember, our school also focuses on Haslett PRIDE, Grit, and Perseverance, those could be included in your design in some way as well! We can't wait to see what wonderful talent we have here at HMS!
