Announcements

- **Self-Esteem Group** - At HMS we are forming a self-esteem small group that meets weekly to learn about ways to support a healthy self-esteem in ourselves and others. Mrs. Boldman and Mrs. Rybicki will jointly facilitate the group with activities and positive discussions. This group will run for approximately 6-8 weeks and will meet weekly on Wednesdays on Zoom. The discussions in this group will be kept confidential, however this group is not therapeutic in nature and should not replace mental health care with a counselor or therapist. If a student is interested in joining this group, please complete this [survey](#). More information will be provided to interested students.
- **Ele's Group** - Ele's group is designed to help students who have experienced the death of someone significant in their lives. This group will meet weekly on Zoom. If a student has experienced the death of a loved one (either recently or a long time ago), they may be having a hard time processing their feelings and might be interested in participating in this virtual support group run by an Ele's Place staff member and Mrs. Rybicki. The discussions in this group will be kept confidential, however this group is not therapeutic in nature and should not replace mental health care with a counselor or therapist. If a student is interested in joining the Ele's Group, please complete this [survey](#). More information will be provided to interested students.
