

Haslett Public Schools

Ralya Elementary Families,

As you may have noticed we have been undergoing construction to our parking lot this summer in order to create a safer and more efficient drop-off and pick-up process. Below you will see the map of the changes. Please drop-off and pick-up in the north parking lot (the red arrows). The front drive will be for buses only. Morning drop-off starts at 8:00 am at the north door. Pick-up starts at 3:04 pm at the north door. Parents may wait in the Multi-Purpose Room for their child if they do not want to get in the car line. Students may not walk through the parking lot to the car without an adult. Your patience is appreciated while we are under construction as we work to make a safer school.

Thank you!
