Haslett High School Highlights!

The end of 1st semester is here! We would like to celebrate the learning and accomplishments that have happened during our first semester of the 2022-23 school year. We also want to take a moment to reflect on how our students have grown socially and emotionally.

This growth in our students doesn't happen by itself. It happens with the mentoring and nurturing from our entire Haslett "village." Haslett High School staff, along with coaches, families, and community members, play important roles in our students' lives.

Thank you to everyone who has made a positive impact on our students!

The Haslett High School Dance Team is at it again! They bring so much joy to our games!

Mr. Piozsa's class enjoyed reading and collaboration time at "4 corners."

Mrs. Fletcher's drawing and painting class had an Art Viewing to share their work.

World History students presented their projects on Imperialism this week.

Come out and support our Haslett Vikings! Our student athletes are participating in basketball, bowling, gymnastics, swimming, and wrestling this winter.
