Haslett High School

Joyful Celebrations of Community

In order to build a feeling of community in our high school, students have been searching for ways to celebrate the accomplishments and talents of their classmates.

The Haslett High School Student Focus Group developed the idea of holding a “Student Showcase,” where students were encouraged to share their gifts of song, dance and poetry. The event was a non-competitive, joyful way for students to share a piece of themselves with others.

Haslett High School has also been added to ESPN’s Honor Roll for their efforts in promoting an inclusive school culture for students with intellectual disabilities. The ESPN Honor Roll is a collaboration between ESPN and Special Olympics aimed at recognizing schools that make creating an inclusive school climate a top priority. Haslett High School was the only Michigan school to receive this honor in 2022.

Senior Unified Athletes were honored at a special assembly, and a banner was hung to signify Haslett High School’s status as a Unified Champion School. The student body showed their support by wearing matching shirts provided by Special Olympics.

The Class of 2023 continued our Joyful Celebrations by creating a new tradition. On Thursday, May 25, Haslett High School seniors will be donning their caps and gowns as they walk through the halls of our district buildings. Whether a student has been in our Haslett family for 12 years or one, they will be celebrated with building hallways lined with cheering staff and students congratulating them on finishing their educational journey.

The Senior Walk will provide a way for our entire Haslett school community to join in the celebration of graduation. It will also provide a positive model of success for our youngest students and a way for families and staff to joyfully send our seniors off to the adventures that await them.

Upcoming Calendar Events

May 19

Murphy Grade 5 Concert

May 20

Senior Party (7 PM - 12 midnight)

May 22

Board of Education Meeting (7 PM)
